

FORRES SANDLE MANOR
NURSERY

A Rural Adventure Awaits

Set within 35 acres, our Nursery welcomes children from 2 to 4 years old

Our school setting is friendly, nurturing and ensures each individual child feels happy, safe, and keen to learn. The nursery and playgrounds provide opportunity for every child to grow and develop, while our incredible location allows us to incorporate the use of specialist teaching into our nursery curriculum. The individually designed outdoor classrooms are a fundamental part of our nursery offering. Pupils develop physical, imaginative, and social skills in the natural setting and learn from the world around them.

Children at our nursery will benefit from:

- Following a phonics programme, as well as lessons in reading, writing and numeracy
- Weekly specialist teaching in Music, PE and Dance
- During April - October, weekly swimming lessons in our heated pool, led by specialist sports teachers
- Weekly Forest School sessions
- Access to our 35-acre school campus including first-class facilities

Our education:

- Experienced and highly skilled Qualified Nursery Teachers, supported by dedicated Early Years practitioners
- Development of reading skills and a life-long love of books
- Termly educational visits to support the EYFS curriculum, at no additional cost
- An outdoor learning environment, with an all-weather canopy, garden, two play areas and woodland

Additional benefits:

- Pupils from our Nursery generally enter our Reception class, working above age expectation in writing, maths, phonics and other areas of the EYFS curriculum
- Delicious, on-site home-cooked lunches and regular snacks
- Participation in the Pre Prep annual Nativity
- The opportunity to spend time with older pupils to help them transition into the Prep School and Senior School
- Inclusion of the wider Prep School community with attendance at assemblies, Sports Day and Harvest/Christmas services.
