Funding

From April 2024, Eligible working parents of 2 year olds will be able to access the 15 hours of funding which will be known as "Expanded Funding". To check whether you qualify for either the 2 year old funding (starting in April) you will need to log onto:

www.childcarechoices.gov.uk

If you do qualify you will need to apply for an eligibility code via: www.gov.uk/apply-free-childcare-if-youre-working - Once you have this code, the Bursary team will need to be made aware of it as soon as possible via bursarsdept@fmsmschool.com along with your National Insurance number so that your Termly fees can be adjusted accordingly.

15 Hours of Government funding is available for all children starting from the term following their third birthday. For our Term Time only children the funding can be used for the weeks equalling our school year. For our Full Time children the funding can be stretched over 48 weeks.

An additional 15 Hours (totalling 30 Hours) of Government funding is available if you meet the qualifying criteria.

The Government funding is for the provision of early years education only and does not cover the cost of consumable items such as; meals, snacks, drinks, hygiene supplies, children's resources, extracurricular activities and other consumables. Therefore these costs are factored in within the weekly charge.

A limited number of fully funded spaces are available.

Tax Free Childcare

Tax free childcare is accepted in our nursery and can be used with the 15 and 30 hours Government funding. This is available to all nursery aged children. To apply for tax free childcare please go to www.gov.uk/tax-free-childcare.
